SERVICES

Residential-

Your home is the true embodiment of your tastes and your lifestyle. It's a space where you can completely embrace who you are as an individual. Planning out the interior of a home is an extremely intimate process which involves more than just the use of software and our design expertise.

When you give us the responsibility to design interiors for your house, we keep in mind the things that make you tick. We engage with our clients by involving them wholly into the conceptualizing process. By carefully understanding your wants and your needs, we make sure that we live up to our promise of delivering a personalized, aesthetically appealing, and practical home that you'll enjoy living in.

LIVING ROOM

Living rooms are like looking glasses. They give us a peek into the interiors of a home and the personal style of the owner. A living room should balance style with effectiveness so that it can accommodate guests and look inviting and attractive.

We present an excellent range of ideas that can give your living room a designer look.

PUJA UNIT

The Pooja room is the most serene and pious corner of Indian homes. From finding a perfect corner for the temple to building a creative Pooja space which merges with the aesthetics of the living room, we help you with all.

BEDROOM

Bedrooms are the primary place of relaxation, where we all retire to take a good sleep and refresh, away from the world and worries. The bedroom interior design is extremely important in order to provide that instant feel of relaxation. Be it the bed, your closet, the dressing table, or perhaps a couch, our design will ensure it's placed aesthetically while ensuring you have space to move around comfortably. A lot can be done to change the look of your bedroom by just choosing the right furniture. With our knowledge in the field, we can make any space look exactly as you want it to look.

KID'S ROOM

Child's room often turns out to be the most creatively thought of and the most colourful space in the house. Arihant Interiors pay attention in your most imaginative dream for your child's room to come up with the most colourful, creative and highly imaginative yet functional solution for the perfect space for your kids. Thus we are skilled to strike the perfect balance of imagination and functionality.

As Interior Designing Professionals of Arihant Interiors we understand and create kid's room design by integrating the child's personal likeness in terms of cartoon characters, incorporation of bright fun-loving colours and designing spaces that are comfortable yet exciting to a child.
